# Building Our Communities For a Better Tomorrow →

Dear Friends of Big Brothers Big Sisters of Rhode Island,

In life, our role is not only to build for ourselves but to ensure that those who follow us have the infrastructure necessary to reach new heights. By investing in mentorship, education, and creating opportunities, we pave pathways to success and happiness.

That is why I am encouraging you to join us for this year's PVD Walk, a cause that helps transform the lives of children all over Rhode Island. By standing together with our union brothers and sisters, we showcase that organized labor in Rhode Island is a powerful, united force, committed to uplifting our state's critical infrastructure and establishing strong foundations that will inspire generations to come.

Thanks to your generous support this year, Big Brothers Big Sisters of Rhode Island (BBBSRI) will be celebrating 17 years of partnering with the Rhode Island Building & Construction Trades, and is destined to be an inspiring event that embodies our commitment not only to our craft but also to the values of community, philanthropy, and giving back.

Attached is a sponsorship form to offer a donation for this most worthwhile and vital organization which supports more than 300 boys and girls each year.

Participation in this event shows your belief in the BBBSRI mission: "To create and support one-to-one mentoring relationships that ignite the power and promise of youth." Each time you generously support the BBBSRI, you make it possible for a child to have a better future by building their self-confidence and helping them in school.

Please join me, our brothers and sisters from the Rhode Island Building & Construction Trades Council, and the Rhode Island AFL-CIO at the 2025 PVD Walk and offer a financial gift to help children in need of a mentor and positive role model in their lives.

With kind regards and in solidarity,  
I remain Sincerely yours,

**Michael F. Sabitoni**

Construction Trades Council,  
General Secretary-Treasurer,
