So You Ask, What's All the Fuss About?

Once again, we will be enjoying a second to none, New England Clam Bake with everything from Clams on the Half Shell, Clam Cakes & Chowder, Steamers, Mussels and Fish, to the Lobster, Corn on the cob and Dessert. Besides the entertainment and activities for the kids, let us not forget the giveaways and raffles throughout the day.

We further the strength of our brotherhood by extending invites to our Politicians so they can meet and mingle with the voices of labor on *our* playing field and listen to what our cries are about.

****ATTENTION, Please Read!****

Invited Guest tickets are based on the full per-person cost of the meal.

But Ah.., as we all know by now, it's an event that's second to none.
