

Electric Prep offers a math and reading prep course. Their course claims that it, “reviews math fundamentals and is directly in line with the IBEW/NECA Math Aptitude Test.”

If you are very weak in your math abilities or you’ve taken the aptitude test before and didn’t score very well, it would probably benefit you most to take a good look at this course.

The cost for the course is \$49.95 and expires 270 days after purchasing.

There are browser requirements that you need to meet in order for Electric Prep to work properly.

Electric Prep Browser Requirements

Chrome 24+

Firefox 20+

Internet Explorer 9+

Safari 6+

You’ll also need to have Adobe Flash to support the videos. Its a free download you can get [here](#).

Unfortunately there aren’t any free practice aptitude tests out there. Lucky for you EAHQ is here to help.

Sites like Khan Academy, Purple Math, Math Antics, and the Cool Math Guy have free videos to help you understand basic algebra, which is what you’re going to see on the aptitude test.
