

# Medicare Open Enrollment is Here!

October 15 through December 7

Every year between October 15<sup>th</sup> and December 7<sup>th</sup>, millions of Medicare-eligible Americans have the opportunity to review their medical and prescription drug coverage to see if those plans still meet their HEALTH, BUDGET, and LIFESTYLE needs going forward. And even if their needs have remained unchanged, participants should also realize that Medicare health and drug plans can make changes each year impacting cost, coverage, drug formularies, and provider networks.

Legacy Benefit Advisors (LBA) helps active and retired union members navigate through all the options available. They will review original Medicare, Medicare Supplements, and Medicare Advantage options, and will help you re-enroll in your current Medicare program, or elect a new Medicare option more suited to your current needs. Friends and relatives are welcome.

LBA provides these services at NO COST to you. They are an independent broker team with a long trusted history with the RI Labor Community.

LBA has scheduled meetings at numerous locations, at various dates, and times across the State. Some of the meetings offer a general overview of Medicare and the types of options available to you, while other meetings present and offer the opportunity to enroll in Medicare Advantage Plan offerings from Blue Cross Blue Shield of Rhode Island or United Healthcare. The detailed schedule is attached.

Seating at seminars is limited. Please contact the folks at LBA and reserve your place today by calling 401 848 1400. Alternatively, you may email:

Robert Dumais at: [rdumais@LBARI.com](mailto:rdumais@LBARI.com) or  
Keith Demty at: [kdemty@LBARI.com](mailto:kdemty@LBARI.com)

We look forward to serving you!
